DETAILED ACTION

Response to Arguments

1. Applicant's arguments, see pages 4-6, filed 7/31/2003, with respect to claim 1 have been fully considered and are persuasive. The rejection of claim 1 has been withdrawn.

EXAMINER'S AMENDMENT

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

3. The application has been amended as follows:

- Claim 1, line 14, is "sections" instead of section
- Claim 1, line 14, is "passages" instead of passage

4. The following is an examiner's statement of reasons for allowance:

A magnetic material fixing structure of motor rotor, comprising at least one silicon steel plate, an outer circumference of the silicon steel plate being recessed to form multiple receptacles at equal intervals, a magnetic material being disposed in each receptacles, each receptacle and the silicon steel plate defining two lateral faces, a bottom face and an opening opposite to the bottom face, the opening of the receptacle being slightly smaller than an internal width of the receptacle and the two lateral faces being slopes gradually diverging from outer side to inside, each of adjoining sections of the two lateral faces and the bottom face being formed with a dented section, the dented sections dividing the two lateral faces and the bottom face of each receptacle to form multiple resilient plates, whereby the magnetic material is tightly fitted

between the resilient plates, only three resilient plates abut against the magnetic material, the respective dented sections serve as ventilation passages and a portion of the magnetic material at the opening is directly exposed to the air such that the heat generated by the magnetic material can be quickly taken away by the flowing air.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
